

To: Invitees HIMA User Conference  
From: HIMA Asia Pacific Pte Ltd  
Re: HIMA User Conference Asia Pacific 2018

Dear invitee,

HIMA strives for ethical and recognized business practices and fair competition. We don't intend to issue an inappropriate invitation or create the appearance of impropriety. We are pleased to accept payment for a portion or all expenses of this event, if it is required by your own compliance rules. Below you will find event details and the cost breakdown for the event:

### Event Details

The HIMA User Conference Asia Pacific will take place October 24-25, 2018, in Bangkok, and will offer comprehensive educational sessions by leading industry speakers. It will bring together experts from the entire process industry: from HIMA customers and partners to potential prospects and HIMA's own specialists. Regional and global experts will gather at one place to share experiences and insights regarding safety and security in the digital age. The event will feature best practice presentations by HIMA experts, users, industry-specific sessions, panel discussions, as well as hands-on demonstrations. This event will provide an opportunity to network with relevant peers, establish new partnerships, and take advantage of HIMA expertise.

If you attend, you will:

- Be able to experience more than 20 presentations and technology sessions with valuable information about how modernization, life cycle management, and consulting services help you fulfil safety requirements and ensure reliability and profitability at your plants in the long term.
- Learn from industry leaders and guest speakers such as Taweelarp Pornkul of PTT Energy Solutions and others.
- Gain access to product demos, hands-on-training and one-to-one talks with subject matter experts.

### Cost Breakdown
